## RESOLUTION

### A Resolution Making July 1, 2020 the Effective Date for Implementing Revised Articles 361 and 365 of the Charles Town City Code

**WHEREAS**, after considerable legislative research, program planning, and policy discussion, the Charles Town City Council approved an amendment on March 16, 2020 to the Codified Ordinances of the City of Charles Town, WV with regard to Part 3, Traffic Code, Chapter 7 Parking, Article 361 Parking Generally; and

**WHEREAS**, similar research, planning, and discussion also resulted in the Charles Town City Council approving an amendment on March 16, 2020 to the Codified Ordinances of the City of Charles Town, WV with regard to Part 3 Traffic Code, Chapter 7 Parking, Article 365 Parking Meters; and

**WHEREAS**, the effective implementation of both ordinances still requires additional program development, infrastructure improvements, and citizen and business owner education; and

**WHEREAS**, a seamless implementation of the new parking program requirements and fees is the desire of the Charles Town City Council and staff.

**NOW, THEREFORE BE IT RESOLVED**, the Charles Town City Council declares that the effective date for both amendments to the city's codified ordinances shall be July 1, 2020 so as to allow for the effective implementation of the city's revised paid parking program and to make other program adjustments as provided in Articles 361 and 365.

Adopted the 16<sup>th</sup> day of MARCH, 2020.
