RESOLUTION

A Resolution Removing All Residential Parking Signs in the Charles Town Parking District

WHEREAS, after considerable research, program planning, and policy discussion, the Charles Town City Council ("City Council") approved codified ordinance amendments to Article 361 Parking Generally and Article 365 Charles Town Parking District on March 16, 2020 to update the City's paid parking program; and

WHEREAS, included in these changes is a plan to remove residential parking signs in the Charles Town Parking District ("District") and make available for residents who park their vehicles on the street where parking meters are present and the rates apply, to purchase discounted residential parking permits; and

WHEREAS, the placement of residential parking signs in the District are the result of various actions through the years by City Council and its committees with no clear policy for monitoring their ongoing use to ensure they still serve the benefit for which they were originally intended; and

WHEREAS, to eliminate any confusion from residents over their authority to retain a residential parking sign in the District.

NOW, THEREFORE BE IT RESOLVED, the City Council declares that any previous approval granted by the City to install a residential parking sign anywhere within the District is hereby revoked; and

NOW, THEREFORE LET IT BE FURTHER RESOLVED, the City Council directs city staff to remove such signs on or about July 1, 2020 when the newly enacted provisions of Article 361 and Article 365 will take effect.

Adopted the 1st day of JUNE, 2020.

Attest:

Robert M. Trainor
Mayor

Daryl Hennessy
City Manager/Clerk
