A Resolution to Provide for the Adoption, Approval, and Implementation of an Intergovernmental Agreement Regarding a Prevention Resource Officer

WHEREAS, the City of Charles Town (City) and the Jefferson County Board of Education (JCBOE) wish to renew a partnership that was started in 2018 to provide a fully equipped and trained member of the City's police department as a Prevention Resource Officer at Washington High School; and

WHEREAS, the City and JCBOE share the same goals and objectives with regard to the Prevention Resource Officer including, but not limited to, performing law enforcement functions within the school setting, identifying and preventing delinquent student behavior including substance abuse, and fostering a better understanding for students of the law enforcement function, concepts, and structure of law; and

WHEREAS, the JCBOE agrees to reimburse the City \$60,000 to cover the costs of this position for one year, some of which may be offset by grant funds that both parties agree to mutually pursue during the school year.
