RESOLUTION

A Resolution Encouraging Charles Town City Staff to Get Vaccinated for COVID-19

WHEREAS, the outbreak of COVID-19 has resulted in an ongoing global pandemic that continues to affect many citizens of Charles Town and the State of West Virginia; and

WHEREAS, The West Virginia Department of Health and Human Resources (WVDHHR) and Centers for Disease Control (CDC) have provided, and continually update, health guidelines and recommendations in order to protect the residents of West Virginia; and

WHEREAS, multiple strains of COVID-19 continue to circulate in the U.S. and additional variants are emerging; and

WHEREAS, after COVID-19 case rates and hospitalizations declined in the Spring of 2021, cases, severe illness, and hospitalizations have increased since then; and

WHEREAS, the hospitalization of COVID-19 patients has reached a new, all-time high in the State of West Virginia; and

WHEREAS, the safety of personnel and the public, and the continuity of governmental services is of utmost importance; and

WHEREAS, widespread vaccination will accelerate and maximize employee safety, and employee's ability to safely gather and perform regular duties and work activities within the community.

NOW, THEREFORE LET IT BE RESOLVED, that the City of Charles Town encourages all of its employees who are able to do so to promptly receive a vaccine against COVID-19;

Adopted the 20th day of SEPTEMBER, 2021.
