Building Safety Month Proclamation

Whereas: our City of Charles Town, West Virginia is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings and infrastructure both in everyday life and when disasters strike; and

Whereas: our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings; and

Whereas: these guardians are dedicated members of the International Code Council, a nonprofit organization that brings together local, state, territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work and play; and

Whereas: these modern building codes include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquakes; and

Whereas: Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety—our local code officials—who assure us of safe, sustainable and affordable buildings that are essential to our prosperity; and

Whereas: “It Starts with You,” the theme for Building Safety Month 2023, encourages us all to raise awareness about building safety on a personal, local and global scale; and

Whereas: each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

Now Therefore, be it resolved, as Mayor of Charles Town, West Virginia, do hereby proclaim the month of May 2023 as Building Safety Month in the City of Charles Town and encourage our citizens to join us as we participate in Building Safety Month activities such as they are.

In Witness Whereof, I have hereunto set my hand and caused the Seal of Charles Town, West Virginia to be affixed this first day of May, two thousand twenty-three.

Robert M. Trainor

Alissa Meeks
City Clerk
